AUTOMOTIVE GATEKEEPER,  
VALET GIRLS

**Kelly VanDahl loves cars** — loves them. She's had a long-standing love affair with the mechanical beasts and has made a living out of being a beautiful girl parking beautiful cars. As the manager for Valet Girls at A Restaurant — the first in OC — VanDahl deals with some high-class clientele along Mariner's Mile and makes a pretty penny parking their Range Rovers and Bentleys. "We work hard to make our service as enjoyable as possible from the moment [customers] arrive to the moment they leave," she says.
